

## Hook

**Day 1:** Splash art – carousel activities to sign up to – work mounted to fill immersion room

**Day 2:** Amazing science experiments with water – to put in immersion room

## Geography

- The UK
- Climate/weather
- Types of settlements
- Coasts
- Mountains

## Science

- Materials: Changing state of water
- Materials: Waterproof/Insulation
- Water cycle
- Forces – floating and sinking

## Computing

Make a joint whole school webpage about the UK

Using a map of the UK, hyperlink the pages created by different groups across the classes.

### Presentation to include:

- Further maps
- Pictures/photos/diagrams
- Graphs/Tables/Statistics
- Written paragraphs

## Art

- Monet
- Painting with watercolours

## Music/Dance

- Handel's "Water Music"
- Water sound effects
- Classic songs: Raindrops, Singing in the Rain

## English

- Narratives
  - Explanations
- (Teachers will gear these to meet the objectives of your child's year group)

## Design and Technology

- Waterproof shelter building
- Waterproof clothing

## Maths

- Place value
  - Four rules of number
  - investigations linked to water e.g. capacity
- (Teachers will gear these to meet the objectives of your child's year group group)

## French

- Holidays at the beach

## Life Skills

- New beginnings

## R.E.

- Importance of water in religion e.g. Baptism and Holy rivers
