

Icon Wall Stickers

Icon Wall Stickers is a sub-company of Shop Aardvard: a business based just outside of Durham that supplies customised vinyl wall stickers, as well as engraving services through perfectly engraved, men's cufflinks via 1st choice cufflinks, and luxury sterling silver gifts with silver grooves.

Icon wall stickers approached William Levick Primary School as part of their annual community outreach project, offering to donate a selection of stickers from their website to help improve our facilities and brighten up our hallways. We are able to choose which stickers we wanted to receive, and decided upon the five designs below from their "Life and Inspirational Wall Quotes" collection to reiterate our own values and work ethos throughout the school.

Please see the pictures below of our new wall stickers in situ. We are really pleased with the result and thank Icon Wall Stickers for their generosity.
